

KASKA SCHOLARSHIP 2024

PROGRAM GUIDELINES

Parsons proudly announces the 2024 Kaska Scholarship Program. Under the Program, one (1) \$2500 scholarships will be awarded to Kaska First Nation students, pursuing post-secondary education or trades certification related to STEM, the Environmental Remediation field or FMRP Care and Maintenance related trades (such as Electrical, Carpentry, Pipefitters, Millwright, Plumbing or similar).

Eligibility

To be eligible for this scholarship, the recipient must:

1. Be a member of the Kaska First Nation
2. Be enrolled in a diploma, degree or trades program at any Canadian post-secondary institution or certified trades school.

Priority will be given to students enrolled in studies related to:

1. Science, Technology, Engineering and Math (STEM) related to mine remediation such as Environmental Studies, Geology, Earth Sciences, Engineering, Surveying, Computer Sciences, Business Administration; or
2. Faro Mine Remediation Project (FMRP) Care and Maintenance related trades (such as Electrical, Carpentry, Pipefitters, Millwright, Plumbing or similar).

Submit the application form including contact information, schooling details, and indicate career goals and how the scholarship will assist in your studies.
