- Personal plastic and storage containers are not permitted.

Beverages and snacks available 24/7 (coffee, teas, cookies, sandwiches)

Housekeeping

Your room will be cleaned daily as needed, with linen, towels, and bedding changed weekly. Do not disturb signs are available at the Front Desk on request.

FOOD SERVICES

Eat Well

Civeo ensures that every guest has a variety of dining options to suit their dietary needs.

Our rotating menu options include seasonal, local and internationally inspired meals, as well as traditional comfort food right off the grill.

Our self-serve options allow you to eat exactly what you want, as much as you want, while reducing waste.

Vegetarian, gluten-free and reduced salt/sugar options are offered at every meal, and with the variety of selection, there's always something for every guest.

An assortment of items are available 24/7. Guests with food allergies or dietary restrictions are asked to see the Front Desk to fill out a dietary form.

Allergens & Dietary Concerns

Please note that all allergens and dietary concerns/restrictions need to be identified via the "Dietary Concerns Consultation Request Form" found at the Front Desk or ask our kitchen staff for more information.

Re-usable Bags

Upon your first check-in, Civeo will provide you with a black re-usable lunch bag for the Bag-up Room free of charge.

If an additional bag is required, they can be purchased at the Front Desk for \$1.

**THIS LODGE IS A BOOTS-OFF FACILITY.
PLEASE REMOVE WORKBOOTS BEFORE ENTERING.**

**SMOKING IS PROHIBITED WITHIN 10 METRES (30 FEET)
OF ANY DOOR OR WINDOW.**

AMENITIES

TV & Internet Access Use

All rooms have a TV with complimentary cable. Internet access is available via the lodge's open Wi-Fi network 'Starlink' (no password required).

Laundry

Laundry machines, located in each wing, are available for complimentary use between the hours of 5:00AM and 10:00PM.

Work coveralls and outerwear are not permitted in the laundry machines.

Fitness Facilities

There is a fitness facility located in the Rec building adjacent to the Kitchen. We ask that guests treat this area with respect by returning their weights and applying proper sanitation practices using the provided cleaning supplies.

Forget Something?

Civeo is happy to provide an array of small, single use products, including shampoo, soap, toothbrushes, toothpaste and combs. If you are in need, please come see us at the Front Desk.

Locker Room Use Required

All guests are required to use the locker room facilities upon returning from shift. Before proceeding to your room or the dining hall, please:

1. Change out of work clothing and footwear.
2. Shower as required.
3. Store all work-related items, PPE, and equipment in your assigned locker.

To promote cleanliness and guest comfort, work gear and equipment must not be brought into guest rooms or common areas. Please keep your locker area clean and secure throughout your stay.

SAFETY & SECURITY

Emergency

An emergency evacuation plan is posted on the back of the door in each room and at the entrance and exit to each building. Please familiarize yourself with your closest exit.

In case of an emergency evacuation: exit the lodge and go to the muster point identified on the plan, closest to you, and wait for further instruction. Guests are asked to remain at the muster point until the all-clear is given by Emergency Services or Security.

In the case of an emergency situation, please contact our Front Desk at 780.828.2100.

Sharps

Sharps containers must be used in disposing sharp objects, needles and pointed items. Sharps containers can be found in public washroom, laundry and Front Desk. Failure to properly dispose sharps may result in the loss of lodge privileges.

Containers available for room upon request from the Front Desk

- Examples of sharps:
- Hypodermic/blunted needles
 - Disposable razors and razor blades
 - X-Acto knives
 - Scissors
 - In addition to needles and blades, anything attached to them, such as syringes and injection devices, is also considered sharps waste

Smoking

Smoking is only permitted in designated smoking areas. Failure to do so may result in a loss of lodging privileges.

Wildlife

Due to the remote location of our operations there is a potential to encounter dangerous wildlife such as bears, cougars and other animals. Precautions have been taken to limit the risk of these encounters.

The wildlife were here first, you are in THEIR territory. Please show respect for any wild animal you encounter for your safety and for theirs. In the event of a wildlife sighting, please inform the Front Desk.

- Additionally, here is what you can do to keep yourself and others safe:
- Secure garbage bins
 - Do not prop open doors
 - Do not feed, tease or provoke wildlife at any time
 - Avoid traps set for wildlife

Speed Limits

The speed limit of this site is 15km/hr and is monitored by our Security team to ensure the safety of everyone. Vehicles parked on site and left unattended for a period exceeding 90 days may be towed away at the owner's expense.

Faro Rules & Regulation

Upon arrival, guests are to review and sign the lodge rules and regulations. Please contact the Front Desk for a copy.

Still Have Questions?

Feel free to contact the Front Desk and we would be happy to assist.

Tse Zul Camp

1. Use the East Access Road to access the camp.
2. Park in the designated parking lot when you arrive.
3. Check in through the main entrance on the east side .
